Calculate personalized estimates and compare vehicles

The advertisement is divided into several sections. At the top left, it features the EPA logo and the title "Fuel Economy and Environment". Below this, it displays the vehicle's Fuel Economy in MPG (26 combined city/hwy, 23 city, 29 highway) and its annual fuel consumption (3.8 gallons per 100 miles). A central section highlights the "Annual fuel cost" as "\$2,000" and provides a "Fuel Economy & Greenhouse Gas Rating" of 5 (on a scale of 1 to 10) and a "Smog Rating" of 4 (on a scale of 1 to 10). To the right, it states "You spend \$500 more in fuel costs over 5 years compared to the average new vehicle." and includes a "Smartphone QR Code™" for further information. The bottom right corner prominently displays the website "fueleconomy.gov" and encourages users to "Calculate personalized estimates and compare vehicles". Several official seals are shown at the very bottom, including those of the California Air Resources Board, U.S. Environmental Protection Agency, and American Petroleum Institute.
